BIGGER SELECTION, LOWER PRICES...

Welcome to our Winter/Spring 2011-2012 list of numismatic literature “goodies”.

Education comes first in this hobby, so try to learn the history and background of what you want to know; and while you’re at it, expand your awareness into other areas of this multi-faceted hobby.

Where can you get information about everything numismatic from tokens to medals; from paper money to U.S. and foreign coinage; from copper, silver, and gold to Postage Currency; and even David Rittenhouse’s 1781 land deed? -- Right here!

We have hundreds of different Bowers, Stacks, Heritage, Superior, etc. auction catalogues, and where can you get these in quantity for a buck apiece? -- Right here!

Let’s face it – getting a numismatic education nowadays is probably cheaper than buying coins and, it’s a whole lot more beneficial for you!

Nobody else has the selection of titles we carry, and **we don’t charge a 15% buyer’s fee!** As someone who understands money, you now a good deal when you see one – and this is exactly what we offer!

Now here’s the good part: any order of \$1,000 or more can have 90 days – that’s right, you can take up to three months to pay. Orders will be shipped upon final payment. With the holidays approaching, you can get everything you want and not have to be strapped for cash.

So please check over all of the items for sale and send us your order right away. We’ll be sure to get it out as soon as possible.

As always, we say thank you for your business and we look forward to hearing from you.

Best,

Karl Moulton

HOW DO YOU WANT TO RECEIVE YOUR PACKAGE ?

Here are the options to choose from :

1. **MEDIA MAIL (BOOK RATE).** Please figure \$2.77 for the first item and \$1.00 for each additional item, along with insurance from the table below. We charge actual postage. For shipping purposes, count five PR's as one item. This is how most orders will be shipped unless another choice is requested and prepaid. This option takes anywhere from 5 to 30 days for your package to arrive.
2. **FLAT RATE.** Please figure \$4.95 for items that will fit into a flat rate envelope. Larger orders can go in priority flat rate boxes at \$12 for small, and \$15 for large where applicable. Add insurance from the table below. We always charge actual postage. Adjustments will be made for any postal rate increases. Due to the cost, priority shipping charges and insurance must be prepaid. It will take 2 to 7 days for your package to arrive, as the post office will not guarantee delivery within three days.

NOTE : Shipping your order may cost more or less than the estimates above depending upon weight. Any additional charges will be billed based upon actual cost. Insured packages can be traced only after 30 days (the Post Office's policy). Adjustments will be made for any postal rate increases.

**** Any order of \$50 or more for merchandise keeps you on our mailing list for one entire year. ****

PACKING & HANDLING : Please add the following charges for the number of items you order:

1 - 5	\$.75 per item
6 - 10	\$ 5.00 Total

31 - 40	\$12.00 Total
41 - 50	\$15.00 Total

This helps cover the cost of boxes, strapping tape, packing for the catalogues, labels, etc.
The charges listed above are, in every case, lower than the per lot fees charged in mail bid sales.
